Our Dodge Sprinters are the epitome of European class and comfort with a high roof that gives you enough room to stand up in, captain's chairs and a bench seat providing seating for up to 9 people (we do have some models that can accommodate 12 people), amazing fuel economy (as high as 25 MPG!), and a dedicated cargo hold that is completely walled off and separate from the passenger cabin area for added security and safety. Free WI-FI and an X-box 360 game system comes

standard with every Sprinter rental. For more information on our vans please visit our [vehicle information page](#).
